

Test: Frontend (HTML/CSS Focus)

Frontend Developers (HTML/CSS Focus)

Your TestTask as a Frontend-Developer is:

<https://deploy.thisisdmg.com/hr/testtasks/frontenddev/Layout-Frontend-Tool.pdf>

- username: testtask
- password: DMGTestTask

You can use either Reactjs, Vuejs or Angular for creating the full responsive site

Please keep in mind:

- The result must be pixel perfect
- there should be a slider on mobile
- - and + Buttons should work, like in a Onlineshop
